OMV Gas Storage Germany GmbH

Extra Services

Transfer of Gas in Storage:

Every storage Customer has the opportunity to transfer Natural Gas to other storage Customers within the storage facility OMV Etzel ESE.

Preconditions are:

- The storage level of the transferring party is not lower than the transferred quantity and
- The available Working Gas Volume of the receiving party is not lower than the transferred quantity

For each transaction three originals of the duly signed "Transfer of Gas in Storage"- Contract must be sent **by 15:00 hrs 2 working days before the transfer shall be effected.**

OMV Gas Storage Germany GmbH provides this **service free of charge** until further notice.

Assignment of Capacities:

Every Customer is entitled to assign, with the prior consent of OMV Gas Storage Germany GmbH, its storage capacities **wholly or partly** to a Third Party.

Please note that capacities can only be assigned in the form (Bundled or Unbundled) as they were initially bought from OMV Gas Storage Germany GmbH. The partial assignment of Bundled services is therefore not possible.

With coming into effect of such an assignment the rights and obligations are assigned wholly or partly to the Third Party and you are **released from your paying obligations for the assigned capacities**, which are also transferred to the Third Party.

To arrange an Assignment please send the **duly signed assignment notice** to OMV Gas Storage at **the latest 5 working days** before the assignment becomes effective.

OMV Gas Storage Germany GmbH provides this **service free of charge** until further notice.

Subletting of Capacities:

Every Customer is entitled to **sublet the contracted storage capacities partly or in total** at any time.

In the contrary to an "Assignment" where the payment obligation is also transferred to the Assignee, Subletting of capacities does **not have any influence on your payment obligation**.

To arrange a Subletting please send us **an E-Mail containing the information regarding quantities and subletting period 5 working days** before the Subletting shall become effective.

OMV Gas Storage Germany GmbH provides this **service free of charge** until further notice.

Please note that we will do our best to accommodate any special requirements. These can be arranged with us on a customer-by-customer basis.
